

For safety no balloons will be set closer to fence and/or spectator area less than 25'

All balloons need to be 36' apart whenever possible.

All gates will be a minimum of 15'

Offset course must be a minimum of 14' wide 36' apart whenever possible

All targets may be adjusted to different heights (48" is standard)

○ barrel

● Dark balloon

○ Light balloon

Numbers designate order to be engaged. i.e. #1, #2 ect..

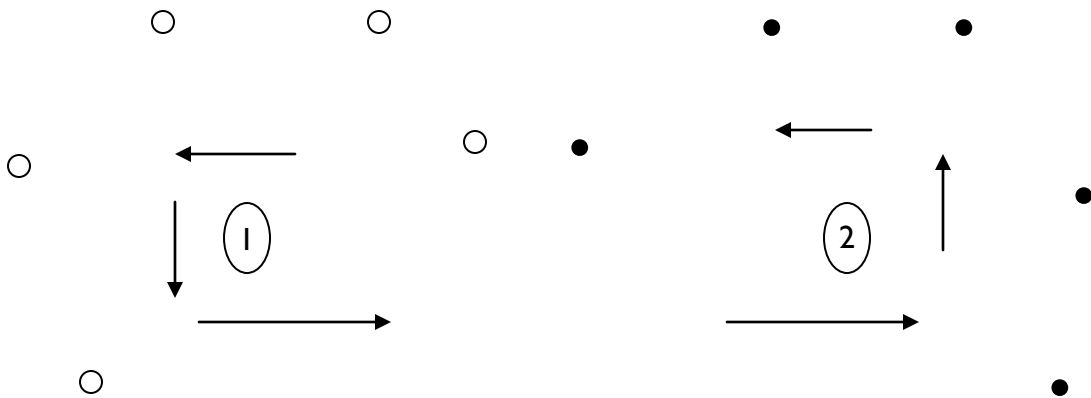

START/FINISH

Key to set up courses.

All courses may be adjusted to fit a certain arena and/or for safety concerns.

Please use common sense for setting up course as safety is the main concern.
